# Education Sponsorship Appeal for kids in Lilongwe, Malawi

*Orphans in the grounds of the Orphan Care and Rehabilitation Centre,  
Lilongwe, Malawi*

**Please help to change a child's life**

**Supporting orphans in Need!**

The children in Malawi want to be educated in order to be self-supporting and self-sufficient. They are desperate to learn the basic skills that they need to help them provide for themselves. They do not want to be dependant upon charity all their lives.

**Their only hope is education so they can learn.**

**CAN YOU HELP?**

Primary education up to the age of 11 is provided by the government.  
Secondary education in Malawi has to be paid for.  
Many children, particularly orphans have little hope of being educated beyond Primary level.

Please help fund the secondary education of orphans in Malawi.

## YOU CAN HELP!

We are seeking more sponsors and have names of orphans who are waiting for your help. Their need is great.

The cost for secondary education is £ 30 (€ 44 or 58 US-Dollar) per term. There are three terms in each school year. The cost includes help with uniform, exercise books and equipment such as pencils.

All sponsorships are arranged through the Protestant Church Congregation of Ruhla, Germany.

Sponsors from Great Britain who want to GIFT AID their contribution should contact Mrs. C. Feather, 10 Norton Close, Norton Tower, Halifax. HX2 7RD, Email: [cynthia@jcfeat.plus.com](mailto:cynthia@jcfeat.plus.com)

We hope you will be able to commit to help for four years. Of course, a sponsorship can be financed by a group of people, too.

Please help the children to help themselves.  
Sponsor a child!

## Brief info about our current project:

### ORPHAN CARE AND SOCIAL REHABILITATION CENTRE, Lilongwe, Malawi

Orphan Care and Social Rehabilitation (OCSR) is a charity Non Governmental Organisation (NGO) that was registered under the Trustees Incorporation Act, 1962, as from May 25, 1995, and became a fully paid up member of the Council for Non Governmental Organisations in Malawi (CONGOMA) as from August 28 1995. It is being run as a Ministry among the orphans and widows based on James 1.27

OCSR has been established to provide care and support to the many innocent and helpless orphans whose parents have died primarily of AIDS, and to the reducing of HIV/AIDS transmission, improving the quality of life of the people infected and affected by HIV/AIDS in Malawi.

The organisation was formed to provide education and care of the orphans, counselling of youth and adults with a focus on community based care and counselling services.

We do have a personal contact with the british Reverend M. Smith, who worked as a missionary at the end of the 1990<sup>th</sup> in Malawi. He knows the project from his own and recommended us to support the OCSR. He is still in frequent contact with the leader of the OCSR, Mr. Mphande. If you want to contact him we can forward his address to you.
